Chart Title

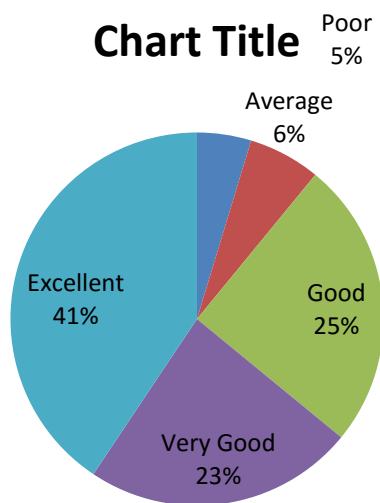

The chart displays the percentage of respondents. Approx. 79% of students rate the percentage of courses having LAB components very good or excellent, 13 % percentage of students are just satisfied and rest of students, 8 % says that the percentage of courses having LAB components needs improvement.

Action Taken:

As a part of the University Statutory Bodies, the college has actively contributed in balancing the Theoretical and Laboratory Teaching-Learning, and the college has developed the various departmental laboratories to fulfill the required practical infrastructure to justify the Laboratory work.

18. Is the administration of the college student-teacher friendly? શું આ કોલેજનો વહીવટી વિભાગ વિદ્યાર્થી-શિક્ષક લક્ષી છે?

Chart Title

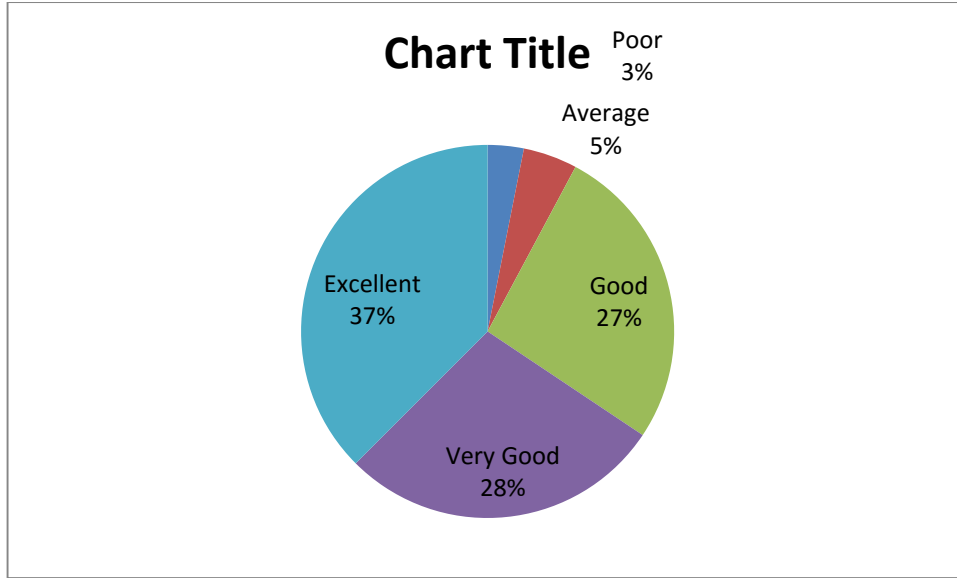

The chart displays the percentage of respondents. Approx. 64% of students rate the percentage of courses having LAB components very good or excellent, 31 % percentage of students are just satisfied and rest of students, 5 % says that the percentage of courses having LAB components needs improvement.

Action Taken:

As a part of the University Statutory Bodies, the college has actively contributed in balancing the Theoretical and Laboratory Teaching-Learning, and the college has developed the various departmental laboratories to fulfill the required practical infrastructure to justify the Laboratory work.

19. Does the College provide adequate and smooth support for projects and research facilities?

શું આ કોલેજ પુરતો અને સહજ સહકાર આપે છે પ્રોજેક્ટ વર્ક અને સંશોધન પ્રવૃત્તિઓ માટે?

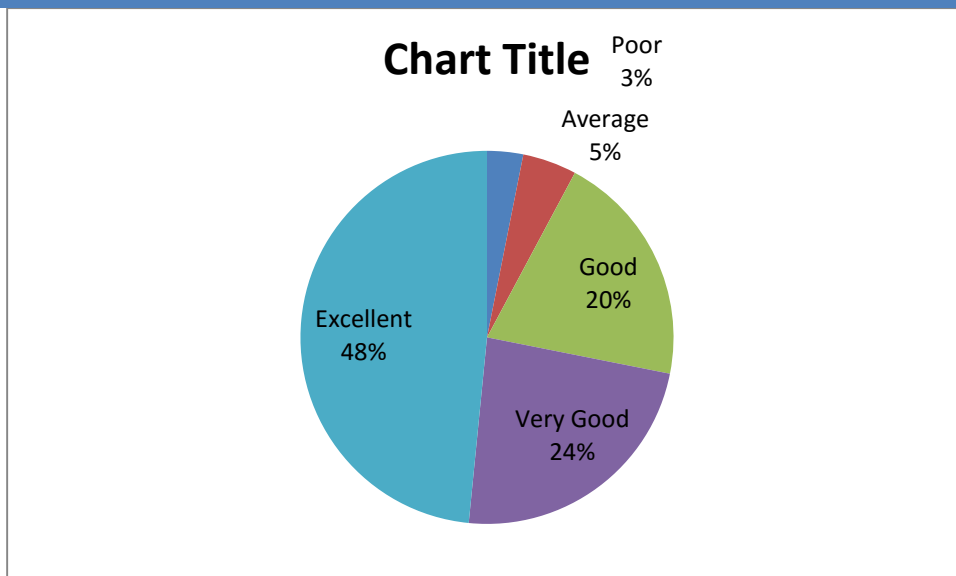

The chart displays the percentage of respondents. Approx. 65 % of students rate college's support for projects and research facilities as very good or excellent, 32 % percentage of students are just satisfied and rest of students, 3 % says that it needs improvement

Action Taken:

The college has Central Research Laboratory and Macro-micro Soil Testing Laboratory, Advanced Plant Tissue Culture Laboratory along with traditional departmental laboratories which have been opened for all the alumni students for their research and project works. Collaboration with various industries enhanced their experience.

20. Does the College provide adequate funding and support from faculty members for upgrading their skills and qualifications? શું કોલેજ તરફથી આપને પુરતી આર્થિક સહાય અને અધ્યાપકો તરફથી પુરતો સહકાર કૌશલ્ય વિકાસ માટે મળે છે?

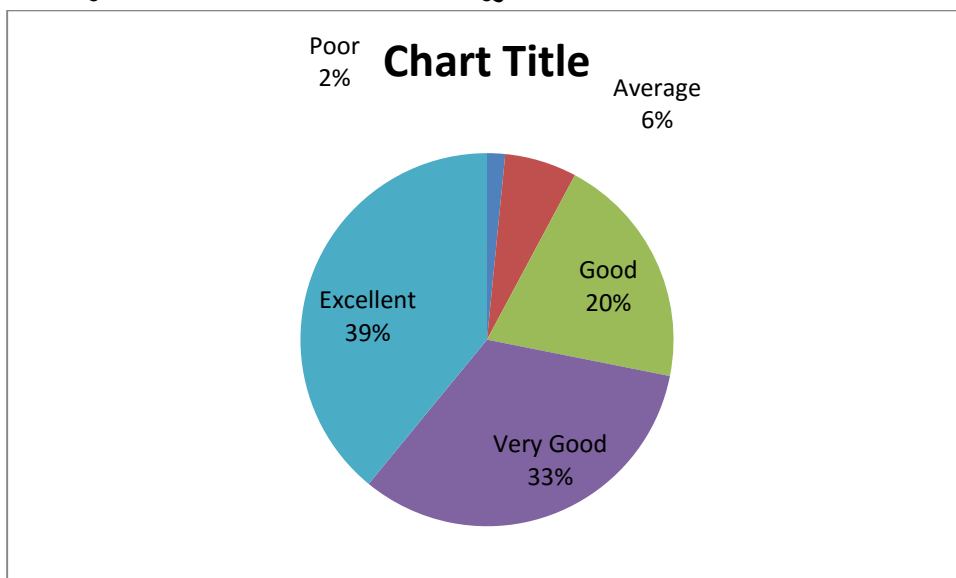

The chart displays the percentage of respondents. Approx. 72% of students rate the percentage of courses having LAB components very good or excellent, 25 % percentage of students are just satisfied and rest of students, 3 % says that the percentage of courses having LAB components needs improvement.

Action Taken:

As a part of the University Statutory Bodies, the college has actively contributed in balancing the Theoretical and Laboratory Teaching-Learning, and the college has developed the various departmental laboratories to fulfill the required practical infrastructure to justify the Laboratory work.

21. Is the environment in the department is conducive to teaching and research? શું આપના વિષય વિભાગનું વાતાવરણ શિક્ષણ અને સંશોધન અનુકૂળ છે?

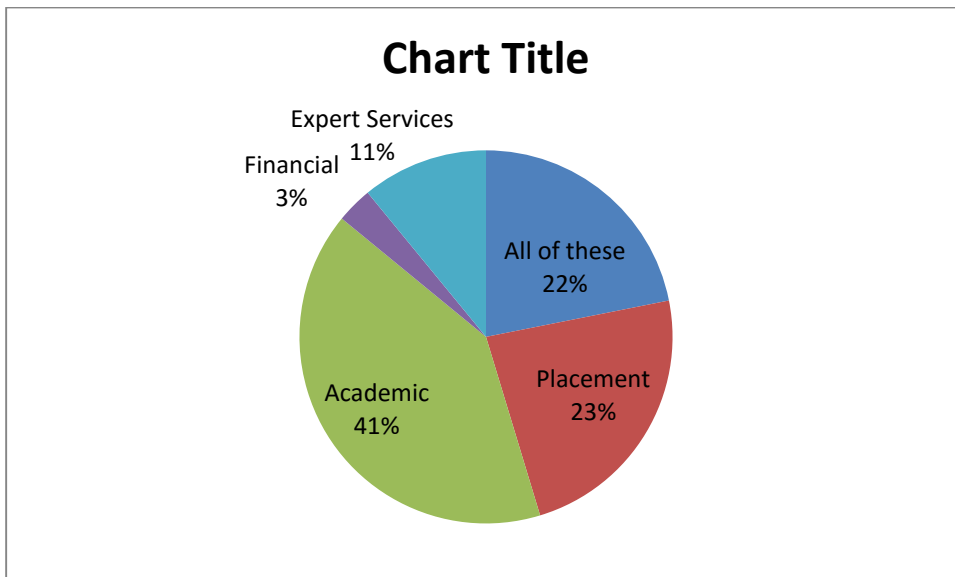

The chart displays the percentage of respondents. Approx. 72% of students rate the percentage of courses having LAB components very good or excellent, 26 % percentage of

students are just satisfied and rest of students, 2 % says that the percentage of courses having LAB components needs improvement.

Action Taken: As a part of the University Statutory Bodies, the college has actively contributed in balancing the Theoretical and Laboratory Teaching-Learning, and the college has developed the various departmental laboratories to fulfill the required practical infrastructure to justify the Laboratory work.

22. Are you willing to contribute to the development of the college? શું આપ કોલેજના વિકાસમાં પ્રદાન કરવા માંગો છો? (Please Tick Mark)

The chart displays the percentage of respondents. Approx. 41% of students preferred to help poor students in higher education, 23 % percentage of students preferred to other students in placement, 11 % students preferred to provide Expert Service, while 3% students preferred to provide Financial support to the derived ones while 22 % preferred all of above options in favour of college progression.
