Sub: Agri Expo and Farmer's meet at Kadi Sarv Vishwavidyalay.

Dear Sir,

This refers to organization of Agri Expo and Farmer's Meet at your institute on 18-12-2016. About 11 companies attended and participated in the event from Gujarat State Seed Producers Association.

We wish to put on records our appreciation and thanks to you for making excellent arrangements for the farmers and participating companies in the Agri Expo. The facilities created were excellent for smooth conduct of display of new technologies on various agriculture inputs to educate farmers. The stalls, farmers meet and discussion was top class. We and all who attended enjoyed your hospitality of tea-snack, food and seating arrangements. All your staff was ever ready for any sort of help and co-operation. Please express my special thanks to your staff and students who did the excellent job. I have seen such arrangements at very few places for farmers elsewhere. This made the event a great success.

The most important being the institutes vision and interest to create awareness among farmers regarding latest technologies in agriculture for their welfare and to improve farm productivity in the region.

I would like to invite you to depute your faculties and students of Agriculture and Soil Science to visit my R&D farm at Village Jaspur (Kalol Taluka) in next 2-3 weeks to study our research activities in Crop Improvement which I believe would be useful for imparting practical training and exposure to students about seed improvement.

Highest Regards
