CERA Sanitaryware Limited, India's fastest growing company in the segment. Keeping the needs of the modern customer in mind, CERA opens the doorway to the world of style. Advanced technology has been the forte of CERA. Its state-of-the-art manufacturing plant has been following the highest standards of quality with an emphasis on sustainability since its inception in 1980. The CERA plant was the first to use natural gas - the purest fuel that gives extra sheen on products. Expecting to increase production of Sanitaryware by nearly 35%, CERA plans to maintain its leadership status in the industry, while catering to increasing demands with satisfaction.

CERA endeavors to provide complete bath solutions to its customers. Pursuing this objective, CERA has launched a range of elegant faucets, designed with style and expertise. For CERA, its responsibility does not end by manufacturing quality products, prompt after-sales services to its customers. CERA also provides unique support to its customers during the designing phase itself through an interactive website. CERA is awarded to top 100 brands in the country. With CERA, style blends with innovation to reveal a new dimension of modernity.
