Peach Technovations Private Limited

Peach Technovations Pvt. Ltd. is a company oriented towards creative and high-quality offerings to improve the productivity of organizations and individuals, through effective use of technology. The parent company M/s Peach Computers was established in 1987 as an export-oriented unit, manufacturing modems and exporting those to the United States. The company has offices in Gandhinagar as well as Mumbai.

Peach has already established a strong reputation in the fields of e-Governance, ERP/MIS, and electronics. The "Jan Seva Kendra" services set up by Peach have won international recognition & awards for successful e-Governance, having served more than 50,00,000 citizens. E-Governance solutions and Management Information Systems Software are the core competence areas of the company.

Peach product "ActPlease.com" has revolutionized the handling of complaints, support requests and feedbacks from citizens and customers. "Track-Smart" has added significantly to the efficiency and transparency of Government organizations. The ERP system "PCB Genie" developed by Peach is on way to establishing itself as a premier management solution / ERP world-wide, comparable to the likes of SAP and Baan. Government Administration, Academic Institutions, Hospitals, Manufacturing & Service Industries are among the customers of the company.

Peach offers a vast spectrum of technical capabilities - from electronics, to SMS, biometrics, IVRS, and other peripheral technologies, to mobile application software and websites. Peach has a unique management structure, where young and capable managers lead "product teams" in an entrepreneurial manner. The senior management team comprises of US-educated individuals, with the strongest credentials and an impeccable reputation, and a drive to make a lasting positive difference to the society.

Peach Technovations envisions fast, exponential growth, while making a major positive impact on thousands of organizations, and millions of people across the globe every year.

This MoU is designed to encourage the collaborative activities on academics, training and research as following:

1. Faculty training and students training at the industry
2. Provision of Experts lecture of mutual interest
3. Research collaboration cum projects on the topics of mutual interest to be undertaken at the research center of this college as well as industry by students and faculty.
4. Exchange of information and technical literature related to teaching and research.
5. Involvement in organization of conferences/workshops/seminars on the topics of mutual interest.
6. Exchange visits of collaborating partners to promote the objectives of this MoU.
7. Probable placement of the students at the industry on merit basis.
8. To establish Research and Development centre for tool designing at the institute campus.

This agreement of cooperation will become effective from the date of signing for an initial term of two years and will be subject to change or renewal on mutual consent. Either party has a right to terminate or discontinue the agreement at any time after sending a written intimation.

This memorandum of understanding is signed by Mr. Haren Shah from Peach Technovations Pvt. Ltd., Gandhinagar and Dr. Ajay S. Gor, Principal on behalf of Pramukh Swami Science and H.D. Patel Arts College, Kadi.

This MoU is signed subject to approval by the appropriate authorities on both sides.
